NORTH COVE CAMPGROUND

Due to low water conditions, North Cove Campground offers OHV riding in the dry lake bed. The area is approximately 150 acres in size with several natural jumps and ridges. In addition, a half-mile trail has been established to improve shore fishing access to the northeast corner of the lake. All OHVs must have a current, valid OHV registration. Vault toilet and water available in campground. Distance to Marina-5 miles by road.

EAST BEACH CAMPGROUND

East Beach Campground offers sunny, sandy beaches for the water enthusiasts. Only tents are allowed in the walk-in tent camping area (sites 4-13). Vault toilets and water supply the campground. Very little natural shade is available, except in the walk-in tent area. Distance to Marina-2.5 miles by road.
